

URGENT JOB PLACEMENT IN SALES & MARKETING FOR FRENCH SPEAKER IN BANGALORE

www.istone.in - tel: +91 80 28 51 19 72

Founded in the year 2004, **IStone** has created various state-of-the-art production facilities for their main product lines in Bangalore, the knowledge capital and the technology-nerve-center of India. We specialise in exporting various products to overseas client: Indian Granites (slabs, blocks, custom made monuments), Agro-commodities (non-basmati rice, maize, corn, dal, garam etc.), and Coconut shell Charcoal. We deal in large quantities with customers all over the world.

Job tasks:

- Sales and Marketing in French speaking countries (a good level of French is hence a requirement)
- Lead generation and conversion in French speaking countries
- Design and Product development (basic AutoCAD level would be a plus)
- Management of key accounts
- Inter co-ordination between factory between factory and customers and design and shapes (a good level of Hindi, Tamil or Kannada would hence be appreciated)
- Documentation Documentary Credit and Logistics
- Management of various B2B trade platforms (stone contact; Trade India etc.)
- Good use of Excel, Word and Gmail is a requirement

Job type: full time

Salary: ₹25,000.00 /month

Required experience:

- B2B or export: 1 year

Required languages: French and English
