

WANT TO GET A GLOBALLY RECOGNIZED CERTIFICATION FOR FRENCH..? READ BELOW...

WHAT?

What is DELF/DALF?

They are official certifications awarded by the French Ministry of Education to certify foreign candidates' proficiency in French. The DELF/DALF is made up of six independent six levels of the Common European Framework of Reference for Languages (CEFR).

Go to <http://www.ciep.fr/en/delfdalf> for more information.

Note: Passing the internal AFB class tests allows one to register for the next level but recognized certifications will be issued only for passing DELF/DALF exams.

WHY?

Why write the DELF/DALF exams?

DELF/DALF is:

- ✓ The best French Language certification you can get, recognized all over the world, particularly by French and European employers.
- ✓ A diploma that adds value to your resumé and prepares you to face similar international exams.
- ✓ A way to gain access to all French Universities and an ever growing number of European and francophone Universities, without a pre-admission French language test (DALF C1-C2)
- ✓ An advantage for those who are planning to apply for scholarships offered every year by the Embassy of France in India.
- ✓ A good intellectual activity!

HOW?

How are the exams conducted?

AFB organizes 4 sessions a year (March, June, September and December).

For each level, four basic communication skills are tested (writing, speaking, listening and reading)

Attending a course at the AFB is the best way to get ready for the DELF/DALF exams. You can choose the level corresponding to your proficiency and work your way up!
